HAMPTON Seating Collection

Today's environments call for not only effective but creative use of space. The need for collaboration and innovation prevails, without sacrificing design and style. AGATI answers that call with its sophisticated Hampton Seating. Available in a variety of configurations, the Hampton offers adaptable form and function allowing users to sit in comfort, while meeting in style.

The basic Hampton is perfect for a casual and open space, while optional surrounds can be added to envelop users for more seclusion. Both the curved and straight Hampton can be covered in chic fabrics, backed in sleek veneers or high pressure laminate. The Hampton can rest on metal legs or plinth bases and for additional separation custom privacy screens may be added. An ability to stand alone or build-in allows the Hampton to provide ultimate flexibility in space configuration. No matter how big or small the space, AGATI's Hampton adds abundant seating and flair to spaces everywhere.
