

Storage Solutions for Multi-Media Environments

spectrum™ MODULAR CABINETS

Since 1960, Russ Bassett has built a reputation for high quality, innovative products.

At our headquarters in Whittier, California, we pride ourselves on designing and manufacturing uncompromising technical furniture and storage products.

Our experience includes more than 2000 product installations spanning a range of applications including Fortune 500 companies, banking, insurance, utilities, libraries, medical, broadcast, government, military and more.

Experienced Russ Bassett representatives are experts in determining and creating "best fit" product solutions based on your personnel and equipment requirements.

For more information, contact Russ Bassett at 800 350 2445 or visit our Web site at www.russbassett.com.
